

Date: February 19, 2013

To: Thomas J. Bonfield, City Manager

Through: W. Bowman "Bo" Ferguson, Deputy City Manager

From: Rhonda B. Parker, Director, Parks and Recreation

Subject: Lease of Non-Residential Property and Contract for Service with Stepha"N T. Askew Foundation, Inc.

Executive Summary

At the conclusion of the 2012 Summer Day Camp programs in August 2012, Durham Parks and Recreation (DPR) ended the provision of programs at three (3) of the small recreation centers. DPR now only provides programming at East Durham Recreation Center, T.A. Grady Recreation Center and W. I. Patterson Recreation during the summer months (June – August 2013). In an effort to continue to have activities at these small centers, staff met with non-profit organizations interested in operating out of these sites to provide community programming during the period of September through May of each year. This agreement with Stepha"N T. Askew Foundation, Inc. will provide GED and employment assistance, mentoring, behavior modification, and partner with Durham Parks and Recreation to offer summer camp, offer athletics, parenting classes and business & entrepreneurship development programs and serve individuals coming out of incarceration. Each program is geared toward having a lasting impact on the lives of young people. Other services may be provided consistent with the NPO's mission, in consultation with the DPR Director. The program will initially be offered at the T. A. Grady Recreation Center from March–May of 2013. Stepha"N T. Askew Foundation, Inc. (NPO) is a registered 501(c)3 organization with the office of the Secretary of State of North Carolina. During the summer months DPR and the NPO will partner to offer a unique summer day camp for youth ages 5-12 years old.

Recommendation

The Administration recommends that City Council authorize the City Manager to execute the Lease for Non-Residential Property and Contract for Service with Stepha"N T. Askew Foundation, Inc.

Background

The T. A. Grady Recreation Center located at 531 Lakeland Avenue is a small recreation facility. DPR has offered after school care, summer day camp and teen programming at this facility. In the past several years, attendance for programming during the traditional school year has reduced significantly. DPR ceased programming at T. A. Grady Recreation Center after the close of the 2012 Summer Day Camp Program.

This unique agreement will offer beneficial programming at T. A. Grady during the months that

DPR will not be offering programming at the site. It will also provide for the security and care of the property during the traditional school year. During the summer months the NPO and DPR will partner to provide a unique Summer Day Camp program.

The City will continue to fund the utilities and costs associated with the security system for the facility. The NPO will not be charged a monthly rent in return for providing programming on behalf of the City at this facility. The Scope of Services attached to the agreement details the roles and responsibilities of the NPO and the City. Key points within the Scope of Services include:

- All fees charged to participants by NPO will be reviewed and approved in writing by the Director of Parks and Recreation ("DPR"). NPO will have in place and approved in writing by DPR, a scholarship program to assist residents who could not afford to pay.
- The NPO will assume custodial responsibilities for the facility, which will alleviate demand on the Facility Maintenance Operations division of the General Services Department during the months of March - May.
- NPO must perform criminal background checks on staff and volunteers. NPO must submit and obtain approval by DPR for the policy and procedures for criminal background checks.
- DPR will provide advertising space in one issue of its programming magazine *Play More!*
- NPO will have two community meetings a year to inform the public about programming services and scholarships available. The NPO shall schedule these meetings and inform the Recreation Manager of these meeting dates with sufficient lead time so that the City can publicize them in "Play More" and other City publications and calendars.

At the end of May, the NPO will cease its regular programming so that the facility can be prepared for the joint summer day camp programming. This agreement allows for nine (9) annual renewals to be executed by the City Manager.

Issues/Analysis

The Administration believes that this agreement will insure that beneficial programming will continue to be offered on behalf of DPR at the T. A Grady Recreation Center. The collaborative nature of the agreement is beneficial to both parties and the residents of Durham.

Alternatives

The Council does not approve of this agreement and programming will only be offered at the T. A. Grady Recreation Center during the summer months.

Financial Impact

There is no financial impact to the City with the execution of this agreement. The City will continue to pay for utilities and security of the facility throughout the year. This agreement will benefit residents by having activities available at the facility.

SDBE Summary

The Equal Business Opportunity Ordinance is not applicable to this agreement.
